## PROFESSIONAL EXPERIENCE

As a sealed LED linear product that is extremely flexible, incredibly bright, and safe for indoor or outdoor use, [QolorFLEX NuNeon](#) is the perfect replacement for traditional neon lighting. QolorFLEX NuNeon is rugged, outdoor-rated, and dimmable. It can be cut to length and is available in a variety of colors plus RGB. It offers nearly the same visual impact as traditional blown glass neon without the problematic issues of installation and maintenance. QolorFLEX NuNeon's extreme flexibility includes a 1/2" minimum bending radius in the horizontal plane for ideal precision for signage, like lettering. It has a 6" minimum bending radius along the vertical axis.
